CARBON
SENSE

CARBON SENSE, NOT JUST A WELLNESS CENTRE!

CARBON SENSE

This city spa offers a total concept in wellness, with personal and professional advice on treatments, products, diet, lifestyle and exercise for both the mind and body. Enjoy yourself!

BATHHOUSE

In the bathhouse you can get acquainted with the pleasures of an authentic hammam. The bathhouse offers footbaths, two Finnish saunas, a steam bath, an ice fountain and an experience shower. Relax inside or out in our stylish snooze room or in one of our relaxation rooms.

HAMMAM

Experience an Ottoman Hammam Ritual! This authentic ritual consists of a full body scrub, soap massage, Rhassoul clay treatment and a massage with nutrient rich argan oil. Furthermore it can be done without assistance and leaves your skin feeling baby soft and your spirit reborn!

TREATMENTS

Everything from traditional beauty care to full body treatments: massages, packs, manicures, pedicures and more, always tailored to your needs. You can come to Carbon

Sense for permanent hair removal, body contouring and skin and cellulite treatments.

WELLNESS CUISINE

Look forward to a healthy and balanced diet as the basis for a more vital and energetic life. Healthy eating does not have to be dull! Enjoy a daily selection of fresh snacks, salads and drinks. You can also get advice on personal nutrition at Carbon Sense.

MORE SENSE

Besides relaxation and wellness treatments, you can also come to Carbon Sense for intensive programmes. You can participate in interactive workshops, readings and presentations. These include Tai Chi, Mindfulness and much more. Moreover, all our treatments, massages, etc. are available as gift packages.

PRACTICAL INFORMATION

You can park your car in the Q-Park, located underneath the hotel. Price: € 10,- per 24 hours. For more information, route description and to make a reservation, go to www.carbonsense.be. Carbon Sense is located on the top floor of the Carbon Hotel.
